When it comes to the durability and long lasting color-resistant finish on metal roofing, Everlast Roofing uses only the best paints available on the market. Fluropon® 70% PVDF by Sherwin-Williams Coil Coating, contains a Kynar 500® and/or Hylar 5000® resin system, that is known for its field-proven performance offering:

- Remarkable resistance to exterior weathering, color change, chalking and fading.
- Ease of clean-up and the ability to fight off dirt accumulation.
- Protection against harsh outdoor elements including ultraviolet rays, chemical and acid rain.
- Exceptional flexibility and formability.
